

Release of Liability/Assumption of Risk/Non-agency Acknowledgment Form DIVER ACTIVITIES

I am aware safe dive practices recommend a refresher or guided orientation dive following a period of diving inactivity. I understand such refresher/guided dive is available for an additional fee. If I choose not to follow this recommendation I will not hold the Released Parties responsible for my decision.

I acknowledge Released Parties may provide an in-water guide (hereinafter "Guide") during the Excursion. The Guide is present to assist in navigation during the dive and identifying local flora and fauna. If I choose to dive with the Guide I acknowledge it is my responsibility to stay in proximity to the Guide during the dive. I assume all risks associated with my choice whether to dive in proximity to the Guide or to dive independent of the Guide. I acknowledge my participation in diving is at my own risk and peril.

I affirm it is my responsibility to inspect all of the equipment I will be using prior to the leaving the dock for the Excursion and that I should not dive if the equipment is not functioning properly. I will not hold the Released Parties responsible for my failure to inspect the equipment prior to diving or if I choose to dive with equipment that may not be functioning properly.

I acknowledge Released Parties have made no representation to me, implied or otherwise, that they or their crew can or will perform affective rescues or render first aid. In the event I show signs of distress or call for aid I would like assistance and will not hold the Released Parties, their crew, dive boats or passengers responsible for their actions in attempting the performance of rescue or first aid.

I hereby state and agree that this Agreement will be effective for all Excursions in which I participate for one (1) year from the date on which I sign this Agreement.

I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian. I understand the terms herein are contractual and not a mere recital, and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein. I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent that I have the authority to do so and that my heirs, assigns, and beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.

I, _____ diver name, BY THIS INSTRUMENT, AGREE TO EXEMPT AND RELEASE THE RELEASED PARTIES DEFINED ABOVE FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING BUT NOT LIMITED TO THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

I HAVE FULLY INFORMED MYSELF AND MY HEIRS OF THE CONTENTS OF THIS NON-AGENCY DISCLOSURE AND ACKNOWLEDGMENT AGREEMENT, AND LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING BOTH BEFORE SIGNING BELOW ON BEHALF OF MYSELF AND MY HEIRS.

Diver Medical | Participant Questionnaire

Recreational scuba diving and freediving requires good physical and mental health. There are a few medical conditions which can be hazardous while diving, listed below. Those who have, or are predisposed to, any of these conditions, should be evaluated by a physician. This Diver Medical Participant Questionnaire provides a basis to determine if you should seek out that evaluation. If you have any concerns about your diving fitness not represented on this form, consult with your physician before diving. If you are feeling ill, avoid diving. If you think you may have a contagious disease, protect yourself and others by not participating in dive training and/or dive activities. References to "diving" on this form encompass both recreational scuba diving and freediving. This form is principally designed as an initial medical screen for new divers, but is also appropriate for divers taking continuing education. For your safety, and that of others who may dive with you, answer all questions honestly.

Directions

Complete this questionnaire as a prerequisite to a recreational scuba diving or freediving course.
