

SCUBA DIVING COURSES DAR -ES-SALAAM

Whether it's your first-time diving, or you wish to master your existing skills and increase your diving knowledge, Nomadic Divers has a PADI Scuba Diving Course that is right for you.

DISCOVER SCUBA DIVING:

Discover Scuba Diving is the easiest way to get started with diving. Whilst not a certification, this learning process is ideal for those who want to safely experience scuba diving before committing to a full course. You will learn to get comfortable underwater and develop the skills needed to dive under the direct supervision of an instructor. The course includes one pool session for approximately 40 minutes where you will practice basic scuba diving skills before making your way to the ocean for your first dive.

Details:

- Days: 1
- Dives: 2
- Minimum age: 10

What you'll learn:

- Safety guidelines
- Basic scuba diving skills
- Basic scuba diving equipment knowledge
- Key skills

Price: \$180

PADI SCUBADIVER:

The PADI Scuba Diving course is a great introduction to discovering life underwater. In two days, you will learn the principles of scuba diving and the basic dive skills necessary to dive to a depth of 12 meters under the direct supervision of our instructors. This course is the first step towards the Open Water Diver certification.

Details:

- Days: 2
- Dives: 2
- Minimum Age: 10

What you'll learn:

- Principles of scuba diving
- Theory and knowledge development (first three of five sections of the open water course)
- Basic scuba diving skills
- Open water diving (up to 12 meters)

Price: \$ 415

PADI OPEN WATER:

The PADI Open Water Course is the international standard in recreational diving. In this course, you will learn all the basic skills needed in order to explore what the ocean has to offer. Qualifying will allow you to dive worldwide and dive to a maximum depth of 18 meters on your own.

Details:

- Days: 2 / 4 (depending on your pace)
- 5 – 10 hours of eLearning
- Dives: 4
- Minimum age: 10

What you'll learn:

- Principles of scuba diving
- Theory and knowledge development
- Basic scuba diving skills
- Using your new skills in the open water

Price: \$540

ADVANCED OPEN WATER DIVER:

The Advanced Open Water Course is all about progressing as a diver so that you can comfortably explore different underwater terrains. This course enables divers to continue their diving practice in new environments such as deeper dives of up to 30 metres, within wrecks, and at night. Divers also choose a specific focus, such as fish identification, peak performance buoyancy, and underwater navigation.

Details:

- Dives: 5
- Days: 3 / 4
- 6 – 8 hours of eLearning
- minimum Age: 12 depending on adventure dive (Please Inquire

What you'll learn:

- Deep Water Diving
- Underwater Navigation
- Three additional adventure dives of your choice

Price: \$485

RESCUE DIVER:

This is our most challenging yet most rewarding course available. The rescue diver course boosts your confidence in the water and makes you an invaluable asset to any dive trip. Learning how to respond safely and effectively in a dive emergency will make you a better and safer dive buddy.

Details:

- Days: 3 days
- Dives: 2
- 8 – 12 hours of eLearning
- Minimum age: 12

What you'll learn:

- Self-rescue
- Stress management
- Emergency management
- Rescue
- Problem solving Price: \$650 USD (including EFR Training)

Price: \$650 USD (including EFR Training)

EMERGENCY FIRST RESPONDER:

The Emergency First Response Primary Care will teach you how to respond to life threatening emergencies, whilst the Secondary Care section covers injuries and illnesses that are not immediately life threatening. This course focuses on both, and through a combination of knowledge and skill development and realistic scenario practices, we will ensure that you leave with the confidence to provide care when an emergency arises.

What You'll Learn

- Barrier use
- Primary assessment
- CPR (Cardiopulmonary Resuscitation)
- Serious bleeding management

- Shock management
- Spinal injury management
- Choking • Injury assessment
- Illness assessment • Bandaging
- Splinting for dislocations and fractures

The course takes place over one full day. You will be sent the knowledge development book in order to learn about the injuries prior to arrival. We will then go through this with you in person and teach you the necessary skills to save a life.

Price: \$265

REFRESHER:

Refresh your diving skills with our scuba tune up. This is available at our dive centre, or we can come to your residence and provide the training in your swimming pool in the comfort of your home.
